ELEGANT TWO-STORY CONDOMINIUMS

PORTOFINO

The Portofino has been designed to maximize each area of the home in order to create a free-flowing living space. This end unit model allows for a side entrance that opens up to a spacious great room and large kitchen with abundant counter space. A flex room which can be used as a breakfast area or at home office is bathed in light by extensive windows. A grand primary suite features a spa-like bath as well as two roomy closets including one walk in. In addition to the upstairs laundry room, the two secondary bedrooms can be personalized into one comfortable secondary suite with a sitting area and its own walk-in closet and bath. A liberal size garage along with your personal patio completes this unique home.
