THE PALERMO is one of the most spacious floor plans in the community, starting with 3 bedrooms plus a media room and over 2,400 square feet. A L-shaped porch leads to an open entry with views of the great room beyond. Enhance your living space with optional sunroom, or screened porch. The great room flows into a gourmet kitchen featuring abundant cabinetry, oversized island, walk-in pantry, and breakfast area. The first-floor flex room can become an optional fifth bedroom with en suite bath. Upstairs, the primary suite boasts cathedral ceilings, while two secondary bedrooms and a media room (convertible to a fourth bedroom) complete the second floor.
